### GENERAL DESCRIPTION

Set of table and chairs.

Collapsible table, suitable for bars, restaurants and the home, both indoors and out.

### DIMENSIONS

### MODELS

Single model.

### MATERIALS AND FINISHES

Available in 4 finishes: white RAL 9002, anthracite grey RAL 7022, yellow RAL 1004 and green RAL 6003. Zinc-coated table, finished in a epoxy powder coating, 80 microns thick, 30% matte textured.

#### Structure and table surface

Frame made up of 4 separate feet composed of steel bars, 12 mm and 10 mm in diameter, welded onto a 3 mm-thick steel plate. Circular steel pieces have been welded to the 4 floor supports (diameter 35 mm and height 8 mm) and plastic (PE) ferrules have been added, suitable for uneven surfaces.

The top is made from 2.5 mm-thick sheet steel, with rounded corners and polished edges. The feet are joined by 4xM6 bolts, strategically placed to make the unit as sturdy as possible.
