MATERIALS AND COLORS

Wood

Oak

Walnut

CERTIFICATIONS AND REGULATIONS

Wood: PEFC 10-34-142

MATERIALS AND FINISHES

Legs

Curved natural wood leg, 30mm thick and 60mm wide at the top and 45mm at the bottom. Its interior is made up of 1.2 mm thick beech slats and the outer slats are 0.6 mm oak or walnut.

Table top

The top is made of 30 mm Wisa-Birch board, thick and is veneered with natural oak or walnut wood (same finish as the legs). The edges are seen with rounded edges. All envelopes are machined and incorporate 4 M6 inserts per leg, to fix them with an allen screw to the top.

Note: Due to the fact that the wood used is natural, the finish may vary in colour, tone and drawing.

MAINTENANCE

Clean with a damp cloth with mild soap and water. Rinse and dry with a dry cloth. Avoid using abrasive products.
