### GENERAL DESCRIPTION

Table with 3 or 4 legs, available in several formats and dimensions (widths/lengths). Designed for home, hospitality and other facilities.

### DIMENSIONS

### MODELS

Rectangular table

Square table

Round table

### MATERIALS AND FINISHES

Legs are made of curved natural wood, of 30mm thickness and 60mm width on the upper part and 45mm width on the lower side. The interior is formed by beech sheets of 1,2mm thickness and the exterior veneer are of 0,6mm thick natural oak or walnut.

The table top is produced with 30mm thick Wisa-Birch board and veneered with natural oak or walnut wood (same finish as legs). Sharp edges with rounded corners.

All table tops are mechanized and include 4x M6 inserts for each leg, which can be fixed with Allen screws.
